

The Boys Of Summer

by Don Henley, written in 1984

Nobody on the road
Nobody on the beach
I feel it in the _____
The summer's out of reach

Empty lake, empty streets
The sun goes down alone
I'm driving by your _____
but I know you're not home

But I can see you, your brown skin shining _____
You got your hair combed back and sunglasses on, baby
And I can tell you my love for you will still be _____
After the boys of summer have gone

I never will forget those nights
I wonder if it was a _____
Remember how you made me _____
Remember how I made you scream

And I don't understand what happened to our love
But babe, I'm gonna _____
I'm gonna show you what I'm made of

I can see you, your brown skin shining _____
I see you walking real slow and you're smiling at _____
I can tell you my love for you will still be _____
After the boys of summer have gone

Out on the road today,
I saw a *deadhead sticker* on Cadillac
A little voice inside my head said,
Don't look back, you can never look back

I thought I knew what _____
What did I know?
Those days are gone _____
I should just let them go, but

A deadhead sticker

I can see you, your brown skin shining _____
You got that top pulled down and that _____, baby
I can tell you my love for you will still be _____
After the boys of summer have gone

I can see you, your brown skin shining _____
You got your hair slicked back and your Wayfarers on, baby
And I can tell you my love for you will still be _____
After the boys of summer have gone

The Boys Of Summer

by Don Henley

Nobody on the road
Nobody on the beach
I feel it in the air
The summer's out of reach

Empty lake, empty streets
The sun goes down alone.
I'm driving by your house
But I know you're not home

Don Henley, born 1947

But I can see you, your brown skin shining in the sun
You got your hair combed back and sunglasses on, baby
And I can tell you my love for you will still be strong
After the boys of summer have gone

I never will forget those nights
I wonder if it was a dream
Remember how you made me crazy
Remember how I made you scream

And I don't understand what happened to our love
But babe, I'm gonna get you back
I'm gonna show you what I'm made of

I can see you, your brown skin shining in the sun
I see you walking real slow and you're smiling at everyone.
I can tell you my love for you will still be strong
After the boys of summer have gone

Out on the road today,
I saw a deadhead sticker on a *Cadillac*
A little voice inside my head said
Don't look back, you can never look back

I thought I knew what love was
What did I know?
Those days are gone forever
I should just let them go but

I can see you, your brown skin shining in the sun
You got that top pulled down and that radio on baby
I can tell you my love for you will still be strong
After the boys of summer have gone

I can see you, your brown skin shining in the sun
You got your hair slicked back and your Wayfarers on, baby
And I can tell you my love for you will still be strong
After the boys of summer have gone
